
EXTERN OPPORTUNITIES IN EMPLOYMENT, REGULATION AND ADMINISTRATION SECTION

CALIFORNIA ATTORNEY GENERAL'S OFFICE,
CIVIL LAW DIVISION, OAKLAND, CA

The Employment, Regulation and Administration ("ERA") section of the Office of the Attorney General primarily handles civil litigation in the area of employment law. Deputy Attorneys General in the ERA section counsel and represent state government agencies in employment and constitutional issues under federal and state law, ranging from discrimination to harassment to civil rights. Deputies also work on non-employment matters, which include representing agencies, such as the Department of Motor Vehicles, the California Highway Patrol and the Horse Racing Commission, in administrative proceedings and appeals.

The ERA section in Oakland has positions open for student externs throughout the school year and summer. Student externs will have the opportunity to experience a broad range of civil trial and appellate practice. Externs are expected to assist deputies in researching and drafting briefs, preparing discovery, and assisting in trial preparation. They may attend witness interviews, depositions, settlement conferences, court hearings and trials. They may also attend and assist at administrative hearings. Externs will have every opportunity to prepare a substantial writing sample.
